

H.O/PPC/EST/E-1143/01/2015 6364

Date-29.03.2018

**OFFICE ORDER**

It is to intimate that the Management has been pleased to revise the existing water tariff of different Industrial Estates/Industrial Area with effect from dtd. 01.04.2018 as per details furnished below:

SI No.	Name of the Industrial Estate/Area (Source as drawal of surface water up to 5.0cusec.	Fixed charges per KL	Wheeling charges per KL. (variable)
1.	Kalunga Industrial Estate., Rourkela	Rs. 4.12	Rs. 10.88

1. a) The **fixed charges** shall increase @ 10% (ten percent), in every financial year, effective from 1<sup>st</sup> April.
  - b) The **fixed charges** shall be computed on the basis of Agreement quantity (i.e. total Contract volume, during the entire billing period of preceding calendar month irrespective of any actual less consumption.
  2. a) The **wheeling charges**, which are in addition to the fixed charge, shall increase @ 5% (Five percent) in every financial year, effective from 1<sup>st</sup> April & shall be computed on the basis of actual consumption, during the entire calendar month, subject to a minimum of 25% of the monthly contract volume.
  - b) In case of monthly consumption quantity, being less than 25% of the monthly contract volume, a minimum wheeling charge, computed on the basis of 25% of monthly contract volume shall be charged, apart from the **commitment charge** as detailed below:
  - c) In case the monthly consumption is less than the monthly, contract volume, a **Commitment charge @ 5%** (Five percent) of the wheeling charge on un-utilized water, i.e. Allocated quantity (contract volume) minus the quantity of water consumed, which would be computed maximum @ 75% of the monthly contract volume in addition to earlier fixed charge & wheeling charge.
- [in line with Clause No. 3 of DoWR notification No. 13233, dtd. 4.6.2016]
3. a) In order to bring discipline on water utilization, a penal rate at six times the designated rate (both Fixed charge & wheeling charge) shall be charged on the quantity of excess

drawal, beyond the monthly contract volume, in addition to the normal bill on allocated quantity( monthly contract volume).

b) The excess drawal is permissible for a maximum period of six months, within which, the Industry shall have to apply for higher allocation of water, with reasons and where the industry fails to apply for such higher allocation, or where the industry is refused for such higher allocation, the agreement shall be liable for cancellation & the water supply shall be stopped thereafter.

( In line with the Form 'K' of GoO/ R & DM notification No. S.R.O-429/2010, dtd 01.10.10)

4. G.S.T as applicable shall be charged extra, which shall be effected from dtd. 01.07.2017 ( i.e. the date of applicability of GST)
5. The one time Water Conservation Fund (WCF) to be guided by Agreement Clause No. 24 communicated vide this office letter No. 22284, dtd. 28.11.2017.

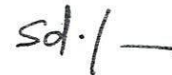

Chairman-cum-Managing Director.
